

KAC ABSTRACT ACRYLIC LANDSCAPES Instructor: Sharlena Wood

### About the Artist

Sharlena Wood has had a life long passion for animals in nature, drawing and the creative arts. In 2007, she founded Shared Palette, an interactive art entertainment venue where guests create extraordinary, collaborative artwork. She has been a feature artist in a number of Canadian presentations, and has participated in numerous group exhibitions, as well as having a successful solo exhibition. For several years, she was a recognized art products specialist and educator, lecturing and presenting at national and international art trade shows. She has also taught at various Ontario Colleges and been a guest workshop instructor for art associations in various Ontario and American cities.
