

**The KANATA ART CLUB**  
**2018 *Spring* AND SALE**  
will be held at the

**Royal Canadian Legion - Branch 638, 70 Hines Road**  
(Just off Innovation Drive and near the Richcraft Recreation Centre).

To encourage both greater artist participation and a larger viewing audience than in the recent past, this new venue has been booked. The hall is closer to the heart of Kanata, in the busy high-tech subdivision area.

The room is slightly bigger than our previous venue, providing room for approximately 30 booths, and has excellent overhead and natural lighting. Entrances and exits to this one-level venue are easily accessible from the large parking area.

Set-up for the show will take place Friday after 2:00pm with our **Meet the Artists** gathering taking place from 5:00 to 9:00pm. The show will continue all day Saturday from 9:30am to 5:00pm. So a day and a half in total.

New signage will be purchased or rented to capture everyone's attention and extensive advertising will be done.

It is **imperative** that participants volunteer to help in some capacity during the show. A list of required duties follows from which registrants may choose. Spread the word and encourage your artistic acquaintances - both current and potential KAC members - to take part in building our visibility.

***Show Coordinators:***

Gail Brooker, Joan McLean, Carmen Renaud

Registration opens February **1st, 2018**
